Report of Principal and School Improvement Council

The mission of Chapin Elementary School is to empower students to be problem-solvers by providing challenging, meaningful, and engaging instruction in a joyful, nurturing, and supportive environment. Our school was recognized for receiving the Palmetto Gold Award for an Excellent Absolute Rating for 2009 as well as achieving the status of Adequate Yearly Progress (AYP) and is a State Department of Education Red Carpet School.

Chapin Elementary is a school that focuses on academic achievement as we are "Committed to Excellence for all Students." Measuring academic progress comes in a variety of methods. We use data results from PASS, MAP, and Dominie as well as other formative classroom assessments to enhance the curriculum and provide valuable information for differentiating instruction. The state-mandated testing, Palmetto Assessment of State Standards (PASS) results showed significant improvement from the previous year. By using data from the Measures of Academic Achievement (MAP), we are able to identify strengths and weaknesses by individual student and make instructional decisions for student achievement. Another formative assessment is the Dominie Reading Assessment that helps teachers make immediate instructional decisions to guide and facilitate our students learning to achieve at high levels. Our goal is to move each and every student to advanced levels of learning by meeting their individual needs through differentiation instruction.

A full-time Literacy Coach supports our teachers in training and implementing best practice in a balanced literacy approach to reading and writing. Reading Recovery works with individual students and small groups in reading and writing. A Reading Interventionist works with small groups of students on reading strategies. Fourth and fifth grade Academically Gifted students were served in content-based classrooms. CES uses advanced technology such as SMART boards, Sentoes, Document Cameras, Wikis, Blogs, Compass Learning, and United Streaming to enhance instruction.

CES continues to emphasize character development and behavior for every child. The entire staff was trained in the program, "Time To Teach." "Time to Teach" is a school-wide positive behavior program with an instructional focus where school procedures and expectations are clearly defined, taught, and modeled for our students.

During the 2009-2010, our school was challenged with new construction and renovations within the building, moving classrooms during the school year, and budget cuts. Our staff and community worked together to continue our focus on student learning with a positive and flexible attitude. Through strong collaborative, commitment and dedication of our administrators, faculty, staff, students, and community, we did persevere. Thank you for your outstanding support and for sharing the responsibility of the accomplishments of our students, our school, and our community.
